## **JATO Dynamics appoints new Chief Financial Officer**

- **Matt Hall joins to lead JATO's Global Finance Function**

JATO Dynamics has appointed Matt Hall as Chief Financial Officer (CFO), responsible for the overall development and leadership of the global finance function. He will play a key role in supporting growth plans for the business.

Matt joins from Invensys Rail, where he was CFO and Senior Vice President. His appointment is part of JATO's commitment to strengthening business operations and supporting a growing international presence. Prior to Invensys Rail he was Group Financial Controller at In Health Group S.A., where he gained particular experience in business acquisitions and integrations. He has also held finance positions at BT and Cable & Wireless.

JATO CEO Andy Rothery said: "Matt brings a wealth of professional experience to JATO. He will be instrumental in reshaping our financial teams as well as adding value to the business and our global clients. He will also be central to the development and implementation of our corporate strategy. As a CFO with experience in leading organisational change; Matt will be working very closely with me to further shape our response to the diverse needs of our clients, with relevant, exciting and innovative propositions."

Commenting on his new role, Matt said: "I am delighted to be joining JATO at such an exciting time in both the Company's development and the development of the wider industry. I look forward to playing a key role in helping to realise the ambitions of JATO and the clients we serve."

**About JATO**

JATO was founded in 1984 and provides the world's most timely, accurate and up-to-date information on vehicle specifications and pricing, sales and registrations, news and incentives.

The company has representation in over 40 countries, providing unique local market expertise. The JATO client base includes all of the world's volume vehicle manufacturers; giving them the ability to react to short-term market movements, plan for long-term developments and ultimately to meet consumers' needs.

JATO's intelligence has also been adapted for consumer use in motoring web portals where customers can see the advantages and disadvantages of a specified model against any other.

Major leasing companies use JATO's intelligence to drive the vehicle quotation process.
